Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are in the dealings with one another; sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason.

ASSISTANT GRAND LECTURER'S
MISSION STATEMENT

To provide training, education, assistance and motivation to the officers and brethren of the lodges in our District in order to optimize the learning, understanding and rendering of the standard work and lectures.

From the AGL's Desk:

Hello my Brothers, our last School was the District run-offs for the MAGLA Ritual competition.

We had very a spirited & lively contest with some very well prepared contestants. It was a close race but Bro. Frank Sforza was victorious.

This month, we will be holding our District Grand Lecturer's Convention which will be at Kismet Shrine in Hicksville N.Y. The Guest of Honor will be our Grand Lecturer R.: W.: Richard C. Friedman. The work of the evening will be the presentation of the Working Draft Revision of the Drama & Lecture of the Hiramic Legend, Worshipful Master's Instructions to the Newly-Raised Brother & Third Degree Historical Lecture.

The work will be presented by a great team from around the District. The Grand Lecturer will be on the floor instructing and explaining. This will be the forum to ask your questions and give your feedback to the Grand Lecturer.

This event will be catered by Skalberg Caterers. The dinner cost will be \$25.00 per person. I would like to see each of our District Lodges to take at least 1 table. Let's us show our Grand Lecturer the health and vitality of our beloved District. The dress for the evening is Formal for all District & Lodge Officers Past and present. Business Attire for all other Master Masons.

The Bible (KJV) 1 Kings Chapter 5:

12 And the LORD gave Solomon wisdom, as he promised him: and there was peace between Hiram and Solomon; and they two made a league together.

13 And king Solomon raised a levy out of all Israel; and the levy was thirty thousand men.

14 And he sent them to Lebanon, ten thousand a month by courses: a month they were in Lebanon, and two months at home: and Adoniram was over the levy.

15 And Solomon had threescore and ten thousand that bare burdens, and fourscore thousand hewers in the mountains;

16 Beside the chief of Solomon's officers which were over the work, three thousand and three hundred, which ruled over the people that wrought in the work.

17 And the king commanded, and they brought great stones, costly stones, and hewed stones, to lay the foundation of the house.

18 And Solomon's builders and Hiram's builders did hew them, and the stonesquarers: so they prepared timber and stones to build the house.
