Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are in the dealings with one another; sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason.

From the AGL's Desk:

Hello my Brothers,

I'm looking forward to our new Masonic year. I have put together what I feel is an exciting & informative curriculum covering ritual changes enacted recently. We will also cover. Clearing up confusion in the Craft regarding signs and due guards and grips. The Master of each lodge is asked to provide one Brother to take an officer position in the School, as outlined below:

Lodge Officer Assignments for 09/23/19

Work of the Evening	Opening / Closing
<u>Lodge</u>	<u>Officer</u>
Stewart Manor St Albans	WM
Wantagh Morton	SW

Guiding Light Olympia	JD
Lynbrook Massapequa	SMC
Paumanok Port Washington	JMC
Spartan	STW
Bethpage Hicksville	STW

Attendance at the School is crucial to the success of your lodge. You & your officers will gain knowledge of our craft ritual & district that are attainable in no other way.

The Traveling Gavel is, as always in play. Come and try to take it away from the current holder, which is Lynbrook Massapequa Lodge..

Thank you.

Masonic Tidbits

The Ashlar.

A Freestone as it comes out of the Quarry. In Speculative Masonry we adopt the ashlar in two different states, as in the Apprentice's Degree. The Rough Ashlar, or stone in its rude and unpolished condition, is emblematic of man in his natural state-ignorant, uncultivated, and vicious. But when education has exerted its wholesome influence in expanding his intellect, restraining his passions, and purifying his life, he then is represented by the Perfect Ashlar, which, under the skillful hands of the workmen, has been smoothed, and squared, and fitted for its place in the building. In the older lectures of the eighteenth century the Perfect Ashlar is not mentioned, but its place was supplied by the Broached Thurnel.
